You remind me of something
I just can't think what it is

You remind me of my jeep, I wanna ride it
Something like my sounds, I wanna pump it
Girl, you look just like my cars, I wanna wax it
And something like my bank account, I wanna spend it

It's something about your love that's got me going
crazy
Baby, you know I want you real bad
And girl, I really like your freaky style
How can I be down with you?

So get a little closer to my ride, I wanna get to know
you, lady
And hip me up on how to get inside you, listen pretty
baby
I wanna roll it, roll it, roll it, is all I wanna do for you,
baby
Girl, it's something kind of sexy goin' on about you

You remind me of my jeep, I wanna ride it
Something like my sounds, I wanna pump it
Girl, you look just like my cars, I wanna wax it
And something like my bank account, I wanna spend it

Now I would like to take you for a ride
Girl, you know we'll have so much fun
And give you everything your body needs
Satisfaction guaranteed

So pull up to my bumper and
Let the system sound
Girl, I betcha I can drive you crazy
And let me be the one to drop you off

Babe, listen to me
I wanna roll it, roll it, roll it is all
I wanna do for you, baby
Girl, it's something kind of sexy
Goin' on about you

You remind me of my jeep, I wanna ride it
Something like my sounds, I wanna pump it
Girl, you look just like my cars, I wanna wax it
And something like my bank account, I wanna spend it
