oh yeah you're all cracked up fury
all get no jury to defend you
you tried but you couldn't try
when they see you
you want me to hang around
with you always
but you lie and die
when all you ever give me is disgrace
that's the way down
that's the way down
that's sedation
that's sedation
or one of the two
or one of the two
with our saturation eyes
you think you can disguise all those meat things
but can you grovel in the dust
with masochistic lust and make the song sing
oh yeah you're all cravked up fury
all get no jury to defend you
you tried but you couldn't cry

when they see you

that's the way down

that's the way down
that's sedation

that's sedation

or one of the two

or one of the two

oh yeah you're all cracked up fury

all get no jury to defend you

you tried but you couldn't cry

when they see you

you want me to hang around

with you always

but you lie and die

when all you ever give me is disgrace

that's the way down

that's the way down

that's sedation

that's sedation

or one of the two

or one of the two

one of the two

or one of the two

or one of the two
