Take my hand, discoman

Are you just a one night stand?

Have some fun, jump the gun

But what's left when it's all done
But who are you taking for a ride, discoman

Better to run or else to hide discoman, discoman
Tall and neat, watch his feet

Got the jist he's all complete

Understand discomans

Heading for the garbage can
Have you just crossed a bridge too far, discoman

Jump in a cab and steal a car, the worse in the land

Discoman, one night stand, discoman

I can't understand, discoman
What are you doing
Your life's in a ruin

You're out of our head

You oughta be dead
Down the stairs, no-one cares

He who wuins is he who dares

Rock n Roll, lose control

Just forget you're on the dole
But who are you taking for a ride, discoman

Better to run or else to hide, worst in the land

Discoman, one night stand, discoman

I can't understand, discoman
Are you ready(x2)

For the discoman
