Melody Lee, a broken mind and a broken dream  
I bust the speed to change your heart  
Your life was cruel they called it art

Melody Lee, you need a mirror to set you free  
It won't be kind cheap tomorrow  
If you hide any sorrow

Melody Lee, you gotta find your secret enemy  
You're on the road with nowhere to go  
If you die someone to know

Forget your heart, you need not stay  
A second longer than today  
No don't

Melody Lee, a broken mind and a broken dream  
I bust the speed to change your heart  
Your life was cruel they called it art
