

The Damned "Nice Cup Of Tea"

When I awoke this morning there was lights all around
the place
To the bathroom mirror can that sight really be my
face?
Go downstairs, the sunshine glares across the
welcome mat
Slippers on, must get along to where the action's at

And so the day breaks
Over motley cat and me
I read the Sunday paper
And have a nice cup of tea

So into the kitchen wondering, what I did last night
And open up the corn flakes that they says 'Nutra
sheds delight'
Rummage in the sink to find a plate, it's almost clean
I think this is the worst state that the kitchen's ever
been

And so the day breaks
Over motley cat and me
I read the Sunday paper
And have a nice cup of tea

There's nothing wrong and the kettle's on
I think I'll have a cup of tea
And it's okay, it's a lovely day
A lovely day for motley cat and me
