She don't care about your miseries  
There ain't nothing you can do  
She's afraid of all your injuries  
Just makes you look a fool

I guess, you better fall for another girl  
Before you fall from above  
Well, I guess, you better find yourself another girl  
'Cause all you got is a one way

A one way, a one way, a one way, one way love  
One way, a one way, a one way, one way love  
One way, a one way, a one way, one way love  
One way, a one way, a one way, one way love

She ain't the beauty that you used to know  
She's the fastest girl in town  
She ain't worried who's been shooting her  
Bad boy shooters from around

I guess you better fall for another girl  
Before you fall from above  
Well, I guess you better find yourself another girl  
'Cause all you got is a one way

A one way, a one way, a one way, one way love  
One way, a one way, a one way, one way love  
One way, a one way, a one way, one way love  
One way, a one way, a one way, one way love

She don't care about your miseries  
Oh, there ain't nothing you can do  
She's [Incomprehensible] all your injuries  
She just makes you look a fool

I guess, you better fall for another girl  
Before you fall from above  
Well, I guess you better find yourself another girl  
'Cause all you got is a one way

A one way, a one way, a one way, one way love  
One way, a one way, a one way, one way love

One way, a one way, a one way, one way love  
One way, a one way, a one way, one way love

Hey, you take a tip from me  
You gotta change your one way love  
Hey you take a tip from me  
You gotta change your one way love

Hey, you take a tip from me  
You gotta change your one way love  
Hey, you take a tip from me  
You gotta change your one way love
