She plays her mouth into a smile

And offers that he stay a while

Two hearts that beat as one

And eyes that hardly ever saw the sun

Hollywood babbles on

She lays a wreath of lilies on his grave

His flame gone along with the love he never gave

Not to be seduced by those red lips

Two dimensional comic clips

Hollywood babbles on,

on and on and on and on.

(chorus)

Channel 7, eyeshades of grey

Too close but two worlds away

Plan 9, her domain

Too close but two worlds away... they say

(repeat)

Step into the night.
