Psychomania  
Psychomania

She is the substance of my dreams  
A spectra in the wind  
Take my dare, take me there  
On the trail of the jewel trail

If you've got a notion  
Like a bullet set in motion  
Shining chrome shiny leather  
Penetrate the night forever

Psychomania  
Psychomania

The pleasure of the beast  
Cursing through our veins  
Burn the night burn the day  
A burning light on our a moonlight flight

Everything blurs in the shadow  
Straight and true shot like an arrow  
Tales of love tales of terror  
Ghost-riders go hell for leather

Psychomania, drives me crazier  
Psychomania  
Psychomania

Everything blurs in the shadow  
Straight and true shot like an arrow  
Tales of love tales of terror  
Ghost-riders go hell for leather

Streak the night with our burning flight  
Crimson eyes that blur in the twilight  
Psychomania, drives me crazier  
Psychomania, drives me crazier

Everything blurs in the shadow  
Straight and true shot like an arrow

Like a spectra in the wind  
She is the substance of my dreams

Psychomania, drives me crazier
