One, two, three, go

Well, it's not so clear she's got nothing to say  
It don't happen at all it's not her day  
She don't like God and plastic's a con  
She can't stand fools who think it's right to be wrong

Oh, she's so cool see her tonite  
Yeah, she's no fool I wanna see her tonite

She don't fit in any so called scene  
And she don't like going where she's already been  
Afraid rock and rolls gonna end up like art  
She can't stop what she can't even start

And oh, she's so cool see her tonite  
Oh, she's no fool I wanna see her tonite  
Oh, she's so cool I wanna see her tonite  
Yeah, she's no fool I wanna see her tonite

She's not so clear, she's got nothing to say  
It don't happen at all it's not her day  
She don't like God and plastic's a con  
She can't stand fools who think it's right to be wrong

Oh, she's so cool see her tonite  
Oh, she's no fool I wanna see her tonite  
Oh, she's so cool I wanna see her tonite  
Oh, she's no fool I wanna see her tonite

I wanna see her tonite  
I wanna see her tonite  
I wanna see her tonite
