I'm in a tailspin
But I feel I'm going to win
My mind leaves my body
When you brush against my skin
I shake and I shiver
There's a fever all the time
Digging up emotions
That lie inside my mind
I'm in a tailspin
And my head keeps burning
I'm in a tailspin
And my head keeps burning
Oh! this strange thing
I know I let it in
I can only blame myself
Walking on ice so thin
I want to change now
Right before your eyes
I can only pray, I have
Let it go this time
I'm in a tailspin
And my head keeps burning
I'm in a tailspin
And my head keeps burning
What's locked up inside
What are the creatures in your mind
I'm in a tailspin
But I feel I'm going to win
My mind leaves my body
When you brush against my skin
I shake and I shiver
There's a fever all the time
Digging up emotions
That lie inside my mind
I'm in a tailspin
And my head keeps burning
I'm in a tailspin
And my head keeps burning
Now it's unfolding
It's all been a dream
It's been my place to hide
I'm in a tailspin

And my head keeps burning
I'm in a tailspin
And my head keeps burning
Tailspin
I'm in a tailspin
I'm in a tailspin
