Suddenly you are twice the man you used to be  
Excessive fame in quick death

Would it be different if he had gone instead  
Would you be so hot if you weren't dead?

Famously, you spoke of love philosophy  
You're a hypocrite

Your cruel lack of empathy is long forgot  
Would you be so hot if you weren't dead?  
If you weren't dead?

Tragically, there's others better than you  
Don't you see, damn the groveling writers

Who disregard your flaws, I have to ask  
Would you be hot if you weren't dead?  
If you weren't dead?
