You've got your plastic cards
But you can't create
You've got your open bars
But you can't relate

Pretty as a mirror
Ugly as your smile
You won't fool anybody
Not even for a while

You know, you know
You know, honey, you know
You know, you know
You know, you know

Can't stop thinkin' of you
All the ways you go on
Don't try to tell me, baby
All your plastic has gone

You know we need you, honey
Like I need a loan
Your time is running out now
I guess we really oughtta go

Well, you know, you know
You know, yes, you know
You know, you know
You know, you know

You know, you know
You know, honey

You've got your plastic cards
But you can't create
You're got your open bars
But you can't relate

Pretty as a mirror
Ugly as your smile
And you won't fool anybody
Not even for a while, you know, why

You know, you know
You know, you know
Honey, you know, you know
You know, you know
You know

You know, you know
You know, you know
You know
