I hope y'all got y'all playa's card
'Cause y'all ain't getting in, unless ya do

Bounce, it's the new 12 play
Bounce, though the pussy like L-Way
Bounce, I wanna see your tail shake
Bounce, when you hear R Kelly say

Playa's only where them chicks be checkin' their bodies
Up in the club where they get real naughty
Take um from here to the private parties, where there
ain't nothing but
Playa's only where the playa's be spinnin' a lot of
dough
Honies got ass bouncing on the floor
This is how we behind the playa's door

She on the floor, surrounded by them playa's and
thugs
She on the floor, the girls gone wild in the clubs
In V.I.P., got drough with a bottle of bub
She don't care, shakin' ass just throwin' 'em up

I'd really like to get to know her the way she warms her
Bodie up now she got me heated up
I can find I really wanna beat it up
So her how I hit the bottle and spend it up

You don't gotta worry bout being alone
'Cause tonight we'll be together in my home
Exit out the club bouncin' our domes
Got that red Coupe matchin' the chrome

Put that body in motion, motion
And watch it wave like ocean, ocean
Now break it down and worm it, worm it
Now bring it up and shake it, shake it

Playa's only where them chicks be checkin' their bodies
Up in the club where they get real naughty
Take um from here to the private parties, where there
ain't nothing but

Playa's only where the playa's be spinnin' a lot of
dough
Honies got ass bouncing on the floor
This is how we behind the playa's door

I'm still fresh like uh, Impala uh
Dre's young guns still ridin' the base drums, chi
Four times platinum hate it or love it I'm still number
one
Still in the hood one hand on my gun

And my trigger finger still make bitches cum
I mean the one with the ring and the tongue
Compton uh Kelly found her in the slums
Shakin' that rump both hands on the pumps

Send her home with me I'll have your girl yellin', "Uhh"
Kell's my bitches drunk but until girlfriend still wanna
have fun
Pass the blunt let her drink red rum
Bet she ain't never seen a penthouse at the Trump

Me and R been around the world
And we'll give it to you just how you like it girl

Girl, you on a mission step in club shuttin' down
competition
The way you walk it, talk it, switch it
And when the doors close handle your business
Now make your booty go

Break it down now
Bring it up now
Push it back girl
Now shake, shake it, shake it, shake it

Out the club in the Coupe to the mansion
We gone get bent up to the morning
Layin' back in the chair while you wind it
Lap dance on me girl, bump and grind it

We gone do it till we drop it
Until the part stop, we gone keep it hot

Playa's only where them chicks be checkin' their bodies
Up in the club where they get real naughty
Take um from here to the private parties, where there
ain't nothing but
Playa's only where the playa's be spinnin' a lot of
dough
Honies got ass bouncing on the floor

This is how we behind the playa's door

I like it when you flip that, bump that, roll that
Shake that, drop that, rope that, make it go, clap clap
Flip that, bump that, roll that
Shake that, drop that, rope that, make it go, clap clap

Playa's only where them chicks be checkin' their bodies
Up in the club where they get real naughty
Take um from here to the private parties, where there
ain't nothing but
Playa's only where the playa's be spinnin' a lot of
dough
Honies got ass bouncing on the floor
This is how we behind the playa's door
