RRRRR Ha Ha, The saga continues  
this is a campaign for revolution in hip-hop bahamian  
music  
Revered Automatic Powerful Poet  
My words high and I paid for it  
you're now rockin' with the great taurus  
Cheddah da ghost  
now wait for it  
dope skills  
and I ain't had to push no weight for it  
watch yo enemies,  
watch yo friends  
seen these ni\*\*as come up too fast  
and catch the benz  
in Freeport we dust off  
and hop outta the benz  
Back-a-town lick a shot  
GM did it again  
Nassau's my stompin' ground  
by hook the crook  
but they forgot about me  
like Alita Brooks  
tax free  
so everything is off the books  
Jermaine "Choo Choo" Mackey  
watch for the hook  
I'm in the dungeon with my family  
feelin' like a goodie-mob  
slugger seven thirty two's  
will make me a prob  
only gat 50cents  
the industry's on rob  
but I'm cheatin' my music  
yeah, I got a real job  
yeah, I got a real flock  
Chippingham next to Dean's deli is where I grew up  
yeah, I got a real block  
my ni\*\*as talkin' like I got a real shot  
truth in the booth  
Kemis I'm about to hit mach  
they like "Quelle,  
what's the character?"

I tell um I'm exposed  
check the aperture  
so flash  
goes the camera  
I'm not no amateur  
so GET USE TO IT  
my mind on ease  
my face on God  
feeling I should kiss the stars  
RRRR, I'm above  
they ain't never on par  
I was born to do it  
so GET USE TO IT  
my muscle up  
my team at work  
feel like I should kiss the earth  
so when I'm gone  
they'll remember my worth  
when I hit the dirt  
so GET USE TO IT

Zuh Zuh Zuh  
RRRR, we bout to take it to a whole nother place  
keep your ears glued to the speakers  
We make music mama
