Just yesterday morning they let me know you were
gone

Suzanne the plans they made put an end to you
I walked out this mornin and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Wont you like down upon me Jesus
You gotta help me make a stand
You just got to see me through another day
My bodys achinand my time is at hand
I wont make it any other way

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Been walkin my mind to an easy time
My back turned towards the sun
Lord knows when the cold wind blows it'll turn your
head around
Well there's hours of time on the telephone line to talk
about things to come
Sweet dreams and fine machines in pieces on the
ground

Oh I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you baby, one more
time again
Thought I'd see you one more time again
There's just a few things comin my way this time
around
Thought I'd see, thought I'd see you
