Parole

Maybe Iâ€™m not your favorite
Itâ€™s too bad youâ€™re not mine
Someone once tried to tell me to leave this all behind

You and I are forever
I cut your name in me
Iâ€™m gonna bleed us together
In crimson harmony

And I will taste your mind
Fill it full of empty feelings
Disobey the signs
Drag you out and then throw you away

Chorus

Do you see me coming?
Iâ€™ll be coming home today

I rang your bell thereâ€™s no answer
You changed the locks on me
I called your mom and she told me
That youâ€™re afraid of me

But I wonâ€™t be disregarded, I wonâ€™t be turned away
Iâ€™ll finish up what we started, youâ€™re gonna pay
today

And I will taste your mind
Fill it full of empty feelings
Disobey the signs
Drag you out and then throw you away

Chorus (x2)

Iâ€™m on my way
My world is dead without you
Iâ€™m all alone

No more lying
No more fighting
But violence is so inviting

No more hatred not more sex
My body aches my muscles flex

And I will taste your mind
Fill it full of empty feelings
Disobey the signs
Drag you out and then throw you away

Chorus (x2)
