Chhalla ki labhda phire
Chhalla ki labhda phire
Yaaron main ghar keda
Lokan toh puchda phire

Chhalla hansda phire
Chhalla ronda phire
Chhalla gali gali rulda phire
Chhalle tu sab da
Chhalle tera koi nai
Chhalla gali gali rulda phire
Chhalla ki labda phire

Rang satrangi de
Bulbulan di boli
Dhup de pairi chale
Chhawaan di lai doli

Hun kaale kaale badalan vich chand labda
Goongiyan hawaan diyaan awajaa sun da
Yaaro aase paase wasda hai yaar mera
Dikhda ni ohdi khusbuaan sungdaan
Chhalla ki labh da phire..

Na visaal hoya kadi
Na judai hoyi
ishq de qaidi ti
na rihai hoyi

lokon supne vich milne da vaada usda
saari saari raat na aankh lagdi
mere saa vi thode thode katti honde
meri nabaz vi thodi katti vajdi..
challa ki labhda phire..
logaan to puchhda phire..
