I have control of a history untold  
It begins with the father of sin  
I walk alone in the garden of stone  
I turn into the monster within  
Life is too long for me  
Life is too long for me

I realize  
That I miss being human  
I realize  
That I miss being human  
I realize

I lose control as the story unfolds  
It has been like a knife to bare skin  
I walk alone like a king with no throne  
I burn up from the monster within  
Life is too long for me  
Life is too long for me  
( 'Cause there's something thatÃ¢â€ŒÂ¡)

I realize  
That I miss being human  
I realize  
That I miss being human  
I realize  
I like going to pieces  
I like going to pieces  
I like going to pieces  
'Cause I have tried to need this  
I like going to pieces  
I like going to pieces  
'Cause I have tried to need this

\*\*\*\*\*

( 'Cause there's something thatÃ¢â€ŒÂ¡)

I realize  
That I miss being human  
I realize  
That I miss being human  
I realize  
That I miss being human

That is life  
That I miss being human  
That is life  
That I miss being human  
That is life
