I was walking down the path
Perhaps not the most righteous one
when, God he saw me
Oppress the little one

Struck with lightning
I fall lifeless to the ground
The time has come for...
"Ascent, my son"

Judgment
Repent

"Confess your sins to me
I get off on that sort of thing
What have you done?"

Who've you hated?
who've you mated?
who've you stolen from?
who've you ever fucked?
who've you killed?
feel the guilt
tell me tell me
who you've loved

Maybe you're one of them faggot queer fucks
Do you like other boys?
Thats a sin you know
And thinking is as bad as acting"

God, if that were true, you'd be so dead
I have killed you so many times
In my head

"for if you covet
come and claim my throne
I don't want it anymore
I'm sure you'll use it well
just look what I've become
you'll see just how it's done"

the knife
so deep
the blood flows
as sheep
I am changing
I am changing
