Mary had a little romance  
with an older man  
and he said, I'll give you a son, just one  
Don't cry, you'll be strong  
Don't cry, we'll raise him strong  
just once

Immaculate, amazing, and totally absurd  
Think he's up there, yeah? Don't be too sure  
he'll save us, if he's not too bored, so bow down, and  
praise the lord

Mary didn't feel too good  
About nailing her own flesh and blood to a piece of  
wood  
so god said, don't cry  
We raised him strong  
He's a big boy now, I just hope the oak will hold

Immaculate, amazing, and totally absurd  
Think he's up there, yeah? Don't be too sure  
he'll save us, if he's not too bored, so bow down, and  
praise the lord
