You try,
You fail,
You make a bad impression.
I cry,
You fail,
Sticky situation.
I know,
You know,
It's your infatuation.
You stay,
I'll go.

~chrous~

I'm not the girl,
you thought I would be,
I will never be,
so get over me.
I'm not the girl,
I'm going to be.

Nothing more to say.
My wings,
They grow,
Call it evaluation.
Some things move slow,
with determination.
You ask,
You pry,
It's your desalation.
You wonder why

~chorus~

I'm not the girl,
you thought I would be,
I will never be,
so get over me.
I'm not the girl,
I'm going to be.

(talk)

Why do I have to hear you say these things over and over.like im not listening

(sing)

You can't deal with change

(talk)

How many times do I have to listen to you try to make
me be something I'm not

(sing)

You can't handle

(talk)

Why I'm not this one? Why can't I do the things you
want me to do? Why can't I talk like you wanna talk?
Well, I'm tired of trying to make myself be what you
want me to be.

I am me.

(sing)

I don't foresee,

Any resolution.

You won't agree,
unfavorable reseption.

I know,

I need,

out of this attrition,

Do you hear me.

~chrous~ (2x)

I'm not the girl,
you thought I would be,
I will never be,
so get over me.

I'm not the girl,

I'm going to be.
