you try.....you fail
you make a bad impression
i cry.....you fail
sticky situation
i know.....you know
its your infatuation
you'll stay....i'll go

~*Chorus*~

i am not the girl
you thought i would be
i will never be
so get over me
i am not the girl
im going to be
nothing more to say

my wings.....they grow
call it evolution
some things....move slow
with determination
you ask....you pry
its your desolation
you wonder why

~*Chorus*~

i am not the girl
you thought i would be
i will never be
so get over me
i am not the girl
im going to be

you cant deal with change
you cant handle me
you wont let me be

i dont foresee...any resolution
you wont agree
unfavorable reception
i know....i need

out of this attrition
do you.....hear me?

~*Chorus*~
i am not the girl
you thought i would be
i will never be
so get over me
i am not the girl
im going to be

i am not the girl
you thought i would be
i will never be
so get over me
i am not the girl
im going to be
