Hello, I didn't expect to see you
Hello, you didn't expect me to free you
Hello, you're looking so good since I saw you last
It happened so fast
I'm good, I'm better
I'm glad it's over
I have your sweater
But don't come over
I'm scared to see you
I just might need you
But you're so bad
And I want to be so good
Hello, I said you should not come over
Hello, but then you were always bolder
Hello, two voices are on my shoulder at last
It happened so fast
I'm mad, you're better
You're glad I'm severed
Just take your sweater
And leave forever
You knew I'd crumble
You watched me stumble
You're not so humble
I wanted to be so good
So good, so good, so good, so good
You didn't protect me
You hardly respect me
A ruby whose red has faded
Something so priceless traded
I'm good, I'm better
I'm glad it's over
I hate your sweater
It hurt the holder
I'm scared to see you
I'll always feel you
But you're so bad
And I want to be so good
So good, so good, so good, so good
But you're bad, I want to be so good, so good
I'm good, I'm better
I'm glad it's over
I hate your sweater

It hurt the holder
I'm scared to see you
I'll always feel you
But you're so bad
And I want to be so good (x2)
