A la la la la la-la,
A la la la la la-la, ooh...
A la la la la la-la,
A la la la la la-la, la-la

If ever there was a day
When there wasn't enough time;
If I was too careless to say
You have been on my mind....

I know I have passed up the chance before,
But I wanna tell you now...

I love, I love you
I need, I need you, ooh...
No better time to say:
I love, I love you
I need, I need you, ooh.
This is a song for you, ooh-ooh, ooh ooh ooh....

If ever there was a time when I pushed you aside
I'm so glad you stayed through it all,
And that you're in my life.

Oh there have been times when I didn't know how,
But I wannna tell you now...

I love, I love you
I need, I need you, ooh...
No better time to say:
I love, I love you
I need, I need you, you, ooh-oh.
For the skies that you made blue,
For the smiles the light reflected through,
Ooh-ooh, oh-oh, aah aah...

If today was my very last day,
And I lost my chance to say
In Heaven, oh I would hope that you
Know that you've been an angel
For all you've done for me, mmm-mmm, yeah, me.

I love You. I love, I love you
I need, I need you, ooh...
I love, I love, I love...
Need, I need, I need you, oohâ€¦
This is a song for you.
I love, I love you
I need, I need you, you...
I love, I love you
I need, I need you, ooh...
