Verse 1:

Your heart will always be my home
No matter where I go
No matter what may come
You'll be my shelter in the storm
A harbor safe and sound
Where only true forgiveness can be found

But still
I wanna run away
Go it all alone
When will I ever learn from my mistakes

Chorus:

And I can't live without Your love
Cause Your eyes have seen beyond
The things I'm guilty of
I won't be afraid
To turn back down the road
Cause Your heart will always be my home

Verse 2:

And when I've cried a thousand tears
You've always wiped them dry
And watch me as I spread my wings and fly
To a place
Where holiness begins
And mercy never ends
And I will find my freedom once again

But still
I wanna run away
Go it all alone
When will I ever learn from my mistakes
(Chorus)

Bridge:

Your hands are always open
To catch me when I fall
I feel a million miles away
But that's no distance at all

Oh, But still
I wanna run away
Go it all alone
When will I ever learn from my mistakes
(chorus)
