When everyone around you sees
an ordinary life
Fit for nothing more than common dreams
I can see the stars of heaven
shinning in your eyes
Soon the world will hear the angels sing
Mary I know it's hard to understand
You hold the light of the world in your hands

(Chorus)

I choose you
To bring the world a savior
I choose you
To bring the world a king
I choose you
To be the arms of love that hold the answer
For the world to see my promises come true
I choose you

I know there are many questions
Weighing on your mind
What is becomming of your life ooohh
Just remember why I've called you
To leave your fears behind
To walk by faith and not by sight
Mary I know
It's all a mystery
My hand is leading if you'll only believe

(Chorus)

And he shall be called
Emanuel
Wonderfull prince of peace

I choose you
to bring the world a savior
I choose you
to bring the world a king

(Chorus)

I choose, I choose you (ooohh)

For the world to see my promises come true

Ooohhhh

For the world to see my love come shinning through

(ooohhh)

I choose you (in background untill song is done)
