In the book of songs, chapter 56,  
king David wrote,  
In God whose word I praise,  
in the Lord whose word I praise,  
In God I trust  
I will not be afraid

Sunrise, over the mountain of freedom  
As we are livin and prayin  
Counting the blessings that fall on us all...  
We go down, into the valley before us  
Singing and shouting a chorus!  
Wanting the armor of light that we lead, Lord

For we know that we are nothing without it,  
Oh yea?  
Over all in the hymn that make us stand?

(Chorus)  
In God we trust,  
For He is faithful  
We put our hope in Him alone?  
Through many valley,  
God will sustain us,  
Until the day? He brings us home?

So long, long is the road that we walk on,  
On every journey we stay strong  
If we are believers in love and the power  
Of His hand now?  
We can endure anything now  
We know in our hearts, He is hereee now?  
Lovingly, mercifully,  
Watching over all the world?yea... yea...  
When we're fallin only He can save us... Ooh yea...yea?  
If we follow He will surely lead us on  
He?ll lead us on?

(Chorus)

lay down, lay down, your troubles now

(heavenly Father)  
lay down, lay down, your troubles now  
(gonna bring us back)  
lay down, lay down, your troubles now  
(oooOohh.. yea, yea )  
lay down, lay down, your troubles now (2x)  
come on come on?  
(Home?Home?bring us Home..)

(chorus)

lay down, lay down, your troubles now (3x) (home?) lay  
down  
lay down, lay down, your troubles now  
lay down?lay down..  
till the day? He?ll bring us home?  
bring us home?  
bring..bring.. us home? o?yea..
