Here is a question that I need to know:
Why turn my back and just refuse to go
When You have made for me a path so bright
Through this life (mmm-hmm)?

Oh Lord, I know You want to help me see
'Cause You know exactly where I need to be.
There will be troubles there to block my sight,
But I'll be alright when You shine Your light!

Lead me; I'll follow wherever You lead me down,
Lead me; I'll follow wherever You need me now.
You take my circumstances into Your hands and make
a way.
Lord, You take me by the hand,
Showing me the things You've planned, soâ€¦
Lead me, I'll follow wherever You go.

There is no question that my future's clear
'Cause I know You're answerin' my every pray'r;
And when You don't say what I want to hear,
I won't fear, 'cause I know You willâ€¦

Lead me; I'll follow wherever You lead me down,
Lead me; I'll follow wherever You need me now.
You take my circumstances into Your hands and make
a way.
Lord, You take me by the hand,
Showing me the things You've planned, soâ€¦
Lead me, I'll follow wherever You goâ€¦
Hey, hey, ooh, oh, woah, yeay, yeah!
(na na na na, na na na na, na na na na na,
Na na na na, na na na na, na na na, na na,
Na na na na, na na na na, na na na na na)

Lord, You take me by the hand,
Showing me the things You've planned, soâ€¦
Lead me; I'll follow wherever You lead me down,
Lead me; I'll follow wherever You need me now.
Lord, every circumstance falls in Your hands; You
make a way.
Right before my eyes to see - You're the path in front of

me, soã€;
Lead me, I'll follow wherever You go.
