### V.1

How can I find you- are you hiding or am I  
Should I go or should I wait- for a sign  
Following your voice- walking through a desert night  
Looking for a silent storm in the sky  
And I stand in my emotion and I let it be my own  
Cuz I know I'm not forsaken  
And I'll never be alone

### Ch.

When I fall - when I fall  
I know where I'll be landing  
When I fall- when I fall  
You will still be standing

### V.2

Somewhere in the silence I can hear your broken voice  
Like a radio station fading out of range  
Somewhere in the crowd from the corner of my eye  
I thought that I could feel you- walking by  
And when I get this feeling like I am not so strong  
I still can feel you with me  
Yea you've been there all along

### Bridge

Somewhere I'm alone- won't you take my empty hands  
And fill them with your love  
Won't you take me as I am
