Sweet Marie

I am the lost and found

Come and find me

Sweet Marie

Got so loud

Got kicked out of a bar

Got so drunk

You lost your car

Sweet Marie

I long to be with you

Come and find me

Sweet Marie

Marie

I can't believe that you believe

Marie

Lost somewhere at sea

Marie

You saved me

Marie

I owe you but you don't know me

I see you watch the second hand

See you sitting

Waiting for your man

You always get the last word

At least that's what I heard

Marie

I long to be with you

Come and find me

Marie

I can't believe that you believe

Marie

Lost somewhere at sea

Marie

You saved me

Marie

I owe you and you don't know me

Sweet Marie
