"The Bastard of Midnight"

Hey, what's your number Chicago?
What time is it in Japan?
I've got something to offer
That's never been in demand

Yeah, I've got something to say to you that I know you'd
rather ignore
I am the bastard of midnight
I might just sleep outside this door

Trouble keeps the bar lights on for the heartache
She said, "Sunset Boulevard'll take me home"
But I just wanna scream

Oh, I, ooh, I miss you
I, ooh, I miss you
I, ooh, I miss you tonight

Hey, what's your problem St. Peter?
I've got my churches ingrained
Am I the groom of disaster?
I've come here to entertain

But I've got nothing to sing to you that you haven't
heard before
So I will sing you a million while you just walk out that
door

Trouble keeps the bar lights on for the heartache
She said, "Sunset Boulevard'll take me home"
But I just wanna scream

Oh, I, ooh, I miss you
I, ooh, I miss you
I, ooh, I miss you tonight

Tell me once, tell me twice, just what I wanna hear
Come around, hold me close, we're getting outta here
Tell me once, tell me twice, tell me you're here

Oh, I, ooh, I miss you

I, oooh, I miss you

Oh, I, oooh, I miss you

I, oooh, I miss you

I, ooh, I miss you

Oh, I, oooh, I miss you

I, oooh, I miss you

I, ooh, I miss you
