Have you heard the news today? Oh boy,
The broken heart still unemployed.
It's looking for a kick-start tonight
But the world keeps spinning round;
It won't go down tonight without a fight

So I will drive you home
Thought we're both drunk and stoned.
Just follow the stars and speeding red cars
Into the great unknown.

Oh beautiful for spacious skies.
What a shitty soundtrack of our lives,
When we run out of the good years.
No we are not afraid we're just underpaid
And waiting for the world to disappear

So I will drive you home
Thought we're both drunk and stoned.
Just follow the stars and speeding red cars
Into the great unknown

Oh unseen lord
Tell me what you want from me
And I'll see what I can do about it.
Oh unseen lord aren't your hands awfully full
With Jesus Christ, Hari Krishnas, commodities?
Oh, I wish you well.
I love you but it's complicated

I will drive you home
Though we're both drunk and stoned
Just follow the stars and speeding red cars
Into the great unknown
I will drive you home
Though we're both drunk and stoned
Just follow the stars and speeding red cars
Into the great unknown
