You've got lips of cherry chrome  
I got a heart that's made of stone  
I've been thinking  
You should leave me  
My sweet rose  
My sweet rose  
You don't need me as  
Much as you need your soul  
We are the ones that fall apart  
Love can save your life  
But it just breaks my heart  
Though I've tried I  
Can't destroy what I am  
My sweet rose  
My sweet rose  
You don't need me as  
Much as you need you soul  
You've got lips of cherry chrome  
I've got a heart that's made of stone  
My sweet rose  
My sweet rose  
My sweet rose  
My sweet rose  
You don't need me as  
Much as you need your soul
