He wears it just to hide  
Each time he comes to me  
A shroud to cloud my eyes  
Just something I cannot see  
He's actions are just a ruse  
An aspect of his game  
It hides the man behind  
The fiction of his name

His name is but a symbol  
Of the role he plays for me  
A promise unfulfilled  
A hope of what could be

Just come away with me  
Just come back to my room  
We'll run alone  
Our sin's are gone  
Don't act of a scrooge  
The city welcome's me  
Gleaming hypocrisy  
We'll run for long  
Our sin's far gone  
My mask belongs to you

Removing all between us  
Clothed only in his name  
His touch is my illusion  
Setting heart and mind aflame  
A mirage within' a dream  
A ghost of years since past  
He is only in my destiny  
Just a fragment of the truth

Just come away with me  
Just come back to my room  
We'll run alone  
Our sin's are gone  
Don't act of a scrooge  
The city welcome's me  
Gleaming hypocrisy

We'll run for long  
Our sin's far gone  
My mask belongs to you

His name is but a name  
A symbol, just a mask  
Concealing what I see  
Revealing what I ask  
To watch the colourful sky  
Laying in the grass  
I'm his angel in disguise  
My face behind the mask

Just come away with me  
Just come back to my room  
We'll run alone  
Our sin's are gone  
Don't act of a scrooge  
The city welcome's me  
Gleaming hypocrisy  
We'll run for long  
Our sin's far gone  
My mask belongs to you

Come watch the colourful sky  
Sit with me in the grass  
I'll be your angel in disguise  
Your face behind the mask
