Ooh, how do you like my love

Ooh, how do you like my love
But if you want to know

How I really feel

Just get the cameras rolling

Get the action going

Baby you know my love for you is real

Take me where you want to

Then my heart you'll steal
More, more, more

How do you like it, how do you like it

More, more, more

How do you like it, how do you like it

More, more, more

How do you like it, how do you like it
Ooh, how do you like my love

Ooh, how do you like my love
And if you want to know

What it means to me

Just hear the rhythm grooving

Get your body moving

Baby you know my love for you is true

Any time you want to

Do what you gotta do
More, more, more

How do you like it, how do you like it

More, more, more

How do you like it, how do you like it

More, more, more

How do you like it, how do you like your love
Baby you know my love for you is real

Take me where you want to

Then my heart you steal
More, more, more

How do you like it, how do you like it

More, more, more

How do you like it, how do you like it

More, more, more

How do you like it, how do you like your love
