Chorus:

And everyday it growa a little bit stronger

It stays a little bit longer

Doooooooooooo ooooooooooooooooo

It's tearing me from the inside

Bridge:

Heartbroken can't take it

Don't' think I'll make it

It's hurting tearing me (from the inside)

The pain gains stronger

From the words you say

The pain shouldn't stay (any longer)

Chorus x2

1st Verse

I trusted you

Do you still love me to?

If you do then fine

I can't stay on the other line

I gotta go

Chorus

2nd Verse:

Sometimes I wanna run

Sometimes I wanna hide

Can't stay on the ride

No longer on your side (can't be there anymore)

This love has to end
