Bridge:

I hear the birds churp
But my hearts still in hurt
And my heart needs to mended
And for now my heart disends

Chorus:

I'm walking away (whistle sounds) x5

1st Verse:

Don't pretend to me
Cause I don't want another love song
Because the longer I go on
The more it will hurt

Chorus x5

2nd Verse:

You justified the love that I
Gave gave the love that I gave
You thought that I wouldn't lash out
And just thought that I could go about

X5 2nd chorus: not another song (whistle sounds)
