Chorus:

Read between these lines
If we can't see eye to eye
Then nothings gonna be fine

Bridge:

I didn't judge you
I didn't refuse you
I didn't abuse you
Maybe your under confusion
Had a dilution and don't even see it

Chorus x2

1st Verse:

Clearly I ain't strong enough
To keep us together
I don't care whatever

Chorus x2

2nd Verse:

I'm leaving
Cause you aren't seeing it
Baby it's your lost
Not my fault it's your cost

Chorus Fades
