Chorus:

Take my breath away
Help me survive all my pain
Make me yours
Forever and ever

Bridge:

My old love hurt me so hard
Felt scared wanted to run run far from him
(Take my breath away)
My life started to get glim
Unitl you came along
(Take my breath away)
Now I want you to stay

Chorus

1st Verse:

The love that we have can never be seperated
(Take my breath away)
Your the the greatest love that I ever had
I was once sad
Now you've made me glad
Like a real woman should
(Take my breath away)

Bridge

Chorus

2nd Verse:

Once heartbroken
Then a voice spoke inside my head
Now my choice is you
Please stay with me
(Ooo ooo)

Chorus x3

Ooh I'll be I'll be I'll be there yeah
