Bridge:

Why did this happen?
I need you too much
To succeed in life
You said I would be your wife
Than one day in the cold
I saw you holding the gun
And tear dropped from my eye
And I feared that I wouldn't recover

Chorus:

I thought you were the one...
The one that I need
To succeed in life
Then I knew...
This couldn't be true
There was a reason why you weren't the one

1st Verse:

What was wrong?
I thought you were strong enough to face your
problems
You should have told you needed some help
I know your fantasized in them
But shouldn't had done that
Now there's no coming back

Chorus

2nd Verse:

I wish we could had a happier life
Me as your wife
I know your doing fine
And I'm doing alright
Tonight I'm writing this song about you
To tell the world that

Chorus x3

Then I knew... this couldn't be true
There was a reason why you weren't the one
There was a reason why you weren't the one
