Late at night when all the world,  
Is sleeping,  
I stay up and think of you  
And I wish on a star,  
That somewhere you are,  
Thinking of me too  
Cause I'm dreaming of you tonight  
Till tomorrow I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room dreaming about you and me  
Wonder if you ever see me  
And I wonder if you know I'm there  
If you looked in my eyes  
Would you see what's inside  
Would you even care?  
I just wanna hold you close  
But so far all I have a dreams of you  
So I wait for the day  
And the courage to say,  
How much I love you  
Yes I do!  
I'll be dreaming of you tonight  
Till tomorrow I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room dreaming about you and me  
(Sweetheart)  
(I can't stop thinking of you)  
I can't stop dreaming of you  
(How I need you, my love)  
I can't stop dreaming  
(I wanna see you)  
Late at night when all the world is sleeping  
I stay up and think of you  
And I still can't believe  
That you came up to me and said "I love you"  
I love you too!  
Now I'm dreaming with you tonight  
Till tomorrow and for all of my life  
And there's nowhere in the world I'd rather be  
Than here in my room dreaming with you endlessly  
Dreaming of you tonight

Till tomorrow I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room  
I'll be dreaming of you tonight  
Endlessly  
And I'll be holding you tight  
Dreaming...with you...tonight!
