Oooooohhh...  
Love of my life  
Destined forever  
I will be right here by your side  
No falling tears  
When where together  
You know the joy you bring to me  
There'll be no other  
We'll share as lovers  
Right from the heart  
From my mind to your soul  
I will give it  
To you boy  
My every little thing  
That I'm more than willing  
I will give to you  
Forever starts from now  
I promise you  
Loving you is all that I can  
Do...  
No one can take it away  
From me nobody...  
But you...  
Oooohhhh....  
Now is the time  
Stars will be bright  
Our bodies will groove all through the night  
Come take my hand  
Then we will fly...  
Come on baby  
Hear me say...  
Never, there'll be no other  
We'll share as lovers  
Right from the heart  
From my mind to your soul  
I will give it  
To you boy  
My every little thing  
That I'm more than willing  
I will give to you...  
Forever starts from now

I promise you...  
Loving you is all that I can do...  
No one can take it away  
From me nobody...  
There'll be no time  
For sad goodbyes  
Without you here  
I can't get by  
Don't you go awwwwwaaaayyy...  
There'll be no other  
We'll share as lovers  
Right from the heart  
From my mind to your soul  
I will give it  
To you boy  
My every little thing  
That I'm more than willing  
I will give to you  
Forever starts from now  
I promise you...  
Loving you is all that I can do...  
No one can take it away  
From me nobody  
But you...  
Forever starts from now  
I promise you...  
Loving you is all that I can do...  
No one can take it away  
From me nobody buy youuu..  
Oooohhhh...  
Noh huh huh..  
Yeah..  
(forever starts from now...)
