RAP:its a pain it a pain it a difficult pain ohhh

Why can't i be
rivers so deep
dreaming of he
empty as me
why must i run
run from my free
freedom to think
think only me

why must i be
rivers so deep
dreaming of he
empty as me

forever to never
i am more than this
forever to never
i am more than this

its a pain its a pain its a difficult pain ohh etc...

now i must be
rivers so deep
deeply i breath
breath only me
blinded these eyes
eyes burned by sun
sun of your lies
melted by love

CH forever to never i am more than this
forever to never i am more than this
BRIDGE-cut off my left arm rather than be strong
i didn't know you would lie
i didn't see it this time
i died for your cake
i made a mistake
i lost everything

broken these bones

bones made of sand
sand in the wind
gone with your hand
mouth me one kiss
mouth me no lie
now i forgive
thus now i try

spoken my fears
fears turned to fire
now let me be
your instrument of peace
