I was thinking about it again the other day  
I'm not sure of, I can't remember the name  
It was down the street from my apartment, I used to go  
down there pretty often  
Once a month or so  
It was set back from the street, it had a courtyard  
garden  
A courtyard garden with a winding path, a stone  
gazebo and four or five trees  
It had beautiful tall windows and red stone walls  
I never went inside  
It was clear to me that I should keep it as it was in my  
imagination  
The most peaceful place
