[rachelle]

You and me, we wanted it all...we wanted it all...
Passion without pain
Sunshine without rainy days
We wanted it all always...

[christian]

You and me we reached for the skies
Even if it falls high
Never giving in, certain we will win the prize
I should have seen it in your eyes

[rachelle]

Look how all the dreams came true
You see how i got me
You see how you got you

[christian]

And after all just one thing died
A little thing called love
We used to feel inside

[both]

You and me [you and me]
We're not like the rest [we're not like the rest]
We once were the best
Back when we were dumb
How did we become so smart
And learn to break each other's hearts

[christian]

Look how all our dreams came true
You see how i got me
You see how you got you

[rachelle]

And after all just one thing died
A little thing called love
We used to feel inside....

[both]

You and me we're not like the rest

We once were the best
Back when we were dumb
How did we become so smart
Cause we almost made it
We almost made it...

You and me we're not like the rest
We once were the best
But not what we've become
Isn't it a crying shame
That we almost made it [that we almost made it]
But we wanted it all

Baby you and me [you and me]
We wanted it all...
