[JOE]

A man doesn't know what he has until he loses it,  
When a man has the love of a woman he abuses it,  
I didn't know what I had when I had my old love,  
I didn't know what I had 'till I said, "Goodbye, old love!"  
Yes, a man doesn't know what he has 'til it is no longer  
around  
But the happy thought is  
Whatever it is he's lost, may some day once again be  
found!

[MEG]

I know what you mean Joe,  
Only too well  
For I am lonely just like you  
Lonley for my Joe, My sweet Joe  
How really sweet I never knew  
I really never knew

A woman doesn't know what she has until she loses it,  
When a woman has the love of a man she abuses it,  
I didn't know what I had when I had my old love,

[JOE]

I didn't know what I had 'till I said, "Goodbye old love!"  
Yes, a man doesn't know what he has 'til it is no longer  
around

[BOTH]

But the happy thought is  
Whatever it is he's/she's lost, may some day once  
again be found!
