Here comes the night time and it's knockin' at my door
Lady luck, she's come around and she wants a little
more
Down on the boulevard they're screamin' like a child
If I can't play that mean guitar it's gonna drive me wild,
wild

Rock City, here I come, Rock City, here I come
Rock City, U.S.A.

The sidewalk's moving, the palm trees sway
The switchblade girls, line 'em up in L.A.
Everybody came here from somewhere to play
They wear their guitars low just like jimmy page

Well, I've been to London, I've been to France
I've been to Mississippi where they taught me to dance
Lord, have mercy, I ain't never seen
Nobody going down like this beauty queen

Rock City, here I come, Rock City, here I come
Rock City, U.S.A.
Rock City, here I come, Rock City, here I come
Rock City, U.S.A.

(I'm on fire)
(I'm on fire)
I'm on fire
(I'm on fire)
Just can't get enough
(I'm on fire)

You can't stop me now
(I'm on fire)
You can't hold me down
(I'm on fire)
I said come on, come on
Yeah yeah yeah yeah

Can't stop rockin', can't stop rockin'
Can't stop rockin', can't stop rockin'
Can't stop rockin', can't stop rockin'

Can't stop rockin', can't stop rockin'

Rock City, here I come
Rock City, here I come
Rock City, U.S.A.

Rock City, here I come
(Rock City)
Rock City, here I come
(Rock City)
Rock City, U.S.A.
(Rock City)

Rock City, here I come
(Rock City)
Rock City, here I come
(Rock City)
Rock City, U.S.A.
(Rock City)

Rock City, here I come
(Rock City)
Rock City, here I come
(Rock City)
Rock City, U.S.A.
(Rock City)

Rock City, here I come
(Rock City)
Rock City, here I come
(Rock City)
Rock City, U.S.A.
(Rock City)
