So dry your eyes
Believe me when I tell you, we will get through
One day at a time, you're finding out
This will only help you

We all pray just one more and I'm okay
When sleeps the only medicine for this

Keep dreaming while you're sleeping
I am so afraid, this will never be the same until you're
gone
Keep dreaming while you're sleeping
When you wake this might take a moment or a lifetime

Did you hear, we traded memories for tears
It's time for our finale, we all pray just one more and
I'm okay
When sleeps the only medicine for this

Keep dreaming while you're sleeping
I am so afraid, this will never be the same until you're
gone
Keep dreaming while you're sleeping
When you wake this might take a moment or a lifetime

Don't forget
You have your life in front of you
Don't look back now never say you're sorry can't you
see what he has done
You tell me he's deserving you say he's the only one
Hold your breath this time
Now let it out
It's not worth it, it's not worth it
When you sayÂ...

We all pray just one more and I'm okay
When sleeps the only medicine for this

Keep dreaming while you're sleeping
I am not afraid, this will someday be the same again so
Keep dreaming while you're sleeping
When you wake this might take a moment or a lifetime
