Communication break down again, again  
Your emerald eyes say it all for you  
Thoughts from your mind speak loud and clear, and  
clear  
Your options manifest as a single, rolling tear  
Don't cry, don't cry..

I'm going back on my word  
Driving the nails in deeper  
And I'm on my last breath  
A little bit worried  
I'm feeling quite anxious  
I'm sweating blood over...

Sun is running from the moon again  
All the stars go on laughing  
Reconcile while lying  
Harsh words from a true fallen angel  
Don't cry, don't cry..

I'm going back on my word  
Driving the nails in deeper  
And I'm on my last breath  
A little bit worried  
I'm feeling quite anxious

Invading the truth kept stealing my own life and self-  
worth(?)
