I probably shouldn't say this
But at times I get so scared
When I think about the
Previous relationship
That we shared
It was awesome, but we lost it
Is that possible for me
Not to care?

And now were standing in the rain
But nothings ever gonna change
Until you hear
My dear

THE 7 THINGS I HATE ABOUT YOU

The 7 things I hate about you
Your things
Your games
You're insecure
You love me
You like her
You made me laugh
You made me cry
I don't know which side to buy

Your friends, they're jerks
When you act like this, just know it hurts
I want to be with the one I know
And the 7 things
I hate the most that you do
You make me love you

It's awkward and silent
As I wait for you to say
What I need to hear now
Is your sincere apology
When you mean it
I'll believe it
If you text it
I'll delete it
Let's be clear
Well I'm not coming back

You're taking 7 steps here

The 7 things I hate about you

Your things

Your games

You're insecure

You love me

You like her

You made me laugh

You made me cry

I don't know which side to buy

Your friends, they're jerks

When you act like this, just know it hurts

I want to be with the one I know

And the 7 things

I hate the most that you do

You make me love you

I've been through all

The great things

That would take too long to write

I probably should mention

The 7 that I like

The 7 things I like about you

Your hair

Your eyes

Your old goodbyes

When we kiss I think about the time

You make me laugh

You make me cry

But I guess that's bullsh*t I'll have to buy

Your hands in mine

When they're intertwined

Everything's alright

I want to be with the one I know

And the 7 things

I like the most that you do

You make me love you

You do oh...

Ooh...
